Architecture  
Biennale 2012

ARCH+ features invites you to a reflection on the German and Swiss Pavilion on the occasion of the opening of the 13th International Architecture Exhibition in Venice. General commissioner *Muck Petzet*, exhibition designer *Konstantin Grcic* and photographer *Erica Overmeer* will be representing the German Pavilion. *Miroslav Šik*, Official Representative of Switzerland at the 2012 Architecture Biennale, will be taking part on behalf of the Swiss contribution. The discursive guided tour is an interpretation of *David Chipperfield's* motto *Common Ground* in terms of a mutual understanding.

After the tour, snacks and refreshments will be served on the terrace of the German Pavilion.
